

Port Chester Recreation Department

Medication Permission

IMPORTANT PLEASE READ

- Any Camper OR Staff member needing to take/have medication during the camp day must submit “Permission for Medication Form”. School forms are not valid.
- You and your child’s prescribing Doctor must sign this form.
- There are two forms: Please fill out the appropriate form.
 - Medication/Epi Pen/ Inhalers.
 - Permission needed for OTC medications that are prescribed by physician (ex Benadryl).

How to package medication:

- Please be sure to bring all medications and completed form on the ***First*** day your child attends camp. Campers will not be able to participate in camp without appropriate form on file.
- All medication must be current and in its **original package or prescription bottle**.
- All medicine should be brought in Ziploc bag in its original container, with child’s name clearly printed. If your child is to carry his/her own medication, please make sure it is clearly labeled and easily accessible.
- Medication should be picked up on the campers last day of camp. After camp ends all medications can be picked up at the Recreation Department. All medicines not picked up will be discarded by September 1st.

Thank you. We look forward to a safe and healthy summer!
